

ORGACOTE

12-5-15

SOIL
APPLICATION

COATED UREA
FORMULATION

ORGACOTE 12.5.15 is a complete granular fertiliser containing all the major plant nutrients, plus trace elements, a nitrogen fixing bacteria and humic acids. All nutrients present in Orgacote are key to optimal plant health, Nitrogen is present in three forms associated in balanced proportion. The coated urea into **ORGACOTE** provides a complete and controlled action to the plant.

NPK(Mg-S) FERTILISER 12-5-15 (1,6-8,8) WITH MICRO-NUTRIENTS, HUMIC-FULVIC ACIDS and BACTERIA

Fertiliser obtained by blending

12% Total Nitrogen total (N)

4.54% Ammoniacal Nitrogen

6.46% Ureic Nitrogen

1% Organic Nitrogen

5.02% Total Phosphorus (P)

4.93% Soluble in neutral ammonium citrate and in water Phosphorus (P)

4.76 % Water soluble Phosphorus (P)

14.94% water soluble Potassium (K)

1.61% water soluble Magnesium (Mg)

8.88% Total Sulphur (S)

0.02% water soluble Boron (B)

0.2% water soluble Iron (Fe)

0.02% water soluble Manganese (Mn)

0.02% water soluble Zinc (Zn)

Total humic and fulvic acids: 1.7%

Bacillus amyloliquefaciens 2x10⁹ Colony Forming Unit/mL - 2 strains I4995 and I4996 (from Pasteur Institute)

CROPS RECOMMENDATIONS

Viticulture: Apply **ORGACOTE** at 50-100kg/ha banded under vine during periods of active growth - early Spring applications are best suited.

STORAGE: Store locked up. Keep in original container out of direct sunlight, tightly closed, in a safe place away from children, animals and foodstuffs. Protect from humidity.

DISPOSAL: Do not empty into drains; dispose of this material and its container in a safe way. Refer to special instructions/safety data sheet.

SAFETY PRECAUTIONS

P102 : Keep out of reach of children.

P270 : Do not eat, drink or smoke when using this product.

P501 : Dispose of contents/ container to an approved waste disposal plant.

DISCLAIMER:

The manufacturer and vendors of the product warrant the formulation to contain the specified active ingredients within accepted tolerance when packed. No warranty of any kind is made on the use of this material and no responsibility will be accepted for any damage or injury whatsoever arising from the storage, handling, application or use of this product.
